LinkedIn: linkedin.com/in/prakashraj-e-a62456380 | GitHub: github.com/prakashraj2811

PROFESSIONAL SUMMARY

Full Stack Developer skilled in the MERN stack (MongoDB, Express.js, React, Node.js) and Java (Spring Boot, REST APIs, SQL). Completed Full Stack Developer Internship at SwordNex Technologies, delivering 2 end-to-end projects: a multi-role MERN job portal with AI interview proctoring and a live e-commerce website for a pet shop client. JSpiders-certified in Core Java, Advanced Java, Web Technology and SQL. Seeking a full-time Full Stack / MERN / Java Developer role.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Java (Core & Advanced), SQL, HTML5, CSS3

MERN Stack: MongoDB, Express.js, React.js, Node.js, REST APIs, Role-Based Authentication

Java Frameworks: Spring Boot, Spring MVC, Spring Security, Microservices Concepts

Frontend: React.js, HTML5, CSS3, JavaScript, Responsive UI Design, Java Swing

Databases: MongoDB, MySQL, Oracle DB, JDBC

Tools: Git, GitHub, Maven, Postman, Eclipse IDE, VS Code | **Core:** OOP, CRUD, Layered Architecture, SQL Injection Prevention, API Design

PROFESSIONAL EXPERIENCE

Full Stack Developer Intern

SwordNex Technologies Pvt. Ltd. · On-site, Kumbakonam, Tamil Nadu · 10 Aug 2026 – 10 Oct 2026

- Delivered 2 end-to-end projects: multi-role MERN job portal with AI interview proctoring and live MERN e-commerce site for a pet shop client.
- Analysed the complete job portal codebase, independently built the Admin panel and added subscription plan enable/disable controls.
- Built responsive React UIs and Node.js/Express REST APIs with MongoDB; integrated Razorpay payment gateway for the e-commerce project.
- Implemented secure document management (upload, view, edit, delete) with role-based access for job seekers and companies.
- Collaborated with engineers to debug issues, integrate APIs and meet release deadlines during testing phase.

KEY PROJECTS

Job Portal with AI Interview Proctoring — MERN Stack

SwordNex Technologies | MongoDB · Express.js · React · Node.js · REST API

- Built multi-role job portal with 4 roles (Job Seeker, Company, Admin, Super Admin) and secure role-based access control.
- Developed Admin panel for users, companies, platform activity and subscription plans (enable/disable); implemented secure document upload/view/edit/delete.
- Built AI Interview module with real-time face detection and electronic device detection that triggers automatic warning messages.

Pet Shop E-Commerce Website — MERN Stack

Live client project | MongoDB · Express.js · React · Node.js · REST API · Razorpay

- Designed and developed complete e-commerce website for a pet shop client; deployed and running live.
- Implemented user login, product catalog with search & filters, cart, order flow and Razorpay payment gateway integration.
- Built admin panel to manage products, orders and users with fully responsive UI across devices.

JobConnect — Full-Stack Job Portal (Java)

Java · Spring Boot · MySQL · HTML/CSS/JS · REST API · Postman · Git

- Architected job portal with 3 roles (Job Seeker, Employer, Admin) and secure role-based authentication; designed & tested 12+ REST API endpoints.
- Modeled normalized MySQL schema for multi-user profiles, application tracking and job feeds.

AI NLP ChatBot Application

Java · Java Swing · JDBC · Oracle DB · NLP

- Built Java Swing desktop chatbot with custom NLP pipeline (tokenization, sentiment analysis, intent detection) and context-aware knowledge base (25+ topics) on 3-tier OOP architecture; persisted history via Oracle DB + JDBC.

Bus Reservation System

Java · JDBC · MySQL

- Built booking engine with full CRUD for routes, seat reservation and cancellations using parameterized PreparedStatement queries to prevent SQL injection.

EDUCATION

B.Sc. Computer Science | SASTRA Deemed to be University, Kumbakonam, Tamil Nadu | 2024

CERTIFICATIONS & ACHIEVEMENTS

- JSpiders Certification — Core Java, Advanced Java, Web Technology & SQL (Cert No: JSP-26-3311, Aug 2026); Core Java Certification — LIVE WIRE
- NSS Special Camp Volunteer — “Healthy Youth for Healthy India”: community outreach & event coordination.
